### **Nils T. F. Schmid is new President of the Union.**

At the Union Congress in Brussels (22 to 26 June 2011), Vice President Nils T. F. Schmid was appointed new President of the Union of European Consultants for Industrial Property Rights. Patent Lawyer N. Schmid is an Associate at Boehmert & Boehmert and works at offices in Munich and Paris.

The Union, established in 1961, is an independent association of all groups for the protection of intellectual property. The Union aims to promote industrial property rights and the relationships between patent lawyers at a European level and to expand networks between its members.

Through his period of office, Nils T. F. Schmid will focus on the intensification of the dialogue with European institutions responsible for industrial property rights such as the European Patent Office, the European Office for Harmonisation and so will highlight the unique and very European opinions within the Union.
